

Are you looking to make meaningful connections with Alaska's hospital and health system leaders?

For over 70 years, the Alaska Hospital & Healthcare Association (AHHA) has served as a non-profit trade association representing Alaska's hospitals, nursing homes, and a growing number of other healthcare partners across the continuum of care.

We welcome partners whose purpose and objectives align with AHHA's vision and mission to join us as associate members and event sponsors. We offer a range of options to help build connections and visibility with leaders in the Alaska healthcare landscape.
